SENATOR MARVEL: I'm sorry to break in, but the real emergency at the moment as far as 1,000 University employees is on 598. This will take just a moment, even though it's a 44 page amendment. I can explain it, get that bill . . . I gotta have enough votes to suspend the rules to bring it back, then I'll go to 611 and 610. Is that alright Mr. President. May I suspend the rules and take up 598, which is bracketed on E & R engrossment? There are six amendments, none of which should be controversial. I ask permission to suspend the rules to bring 598 back to Select File. Well can I do it by 25 votes then?

SPEAKER: Why don't you ask for unanimous consent sir. It's the only exception I'm going to make. We've got to get 610 and 611 done.

SENATOR MARVEL: OK. I ask unanimous consent that 598 be brought back to Select File for six specific amendments.

CLERK: Mr. President, the motion is unanimous consent to unbracket LB 598.

SPEAKER: Is there any objection? Seeing none, so ordered.

CLERK: Mr. President, LB 598. A motion on it. I move to return 598 to Select File for specific amendment. The specific amendments is 44 pages long.

SENATOR MARVEL: I'll explain it. You want me to explain it?

SPEAKER: Proceed sir.

SENATOR MARVEL: OK. First there are about five amendments. The first one simply transfers \$200,000 from Legislative Services to the Legislative Session so that we can pay for this session. This is not extra money. Secondly there's a transfer within the Department of Health from TB to renal disease. \$55,000. The third place, homestead exemption in the Department of Revenue needs to be increased by \$13,000. In the fourth, the Supreme Court would receive \$13,000 for travel expenses. The fifth one would be to pay the increased salaries for the district courts. The sixth one is to increase the cash and revolving funds of the University of Nebraska. This is necessitated because of an Attorney General's opinion that states that you can't estimate cash funds, you have to put in the actual amount of expenditure. Those are the six basic items.

SPEAKER: Question has been called for. Is there any further discussion? No. The question has been called and I see five hands. Shall the amendment be adopted.

CLERK: I move to return to Select File for specific amendment.

SPEAKER: Motion was to return it to Select File for a specific amendment. Clerk will record.
